

2025 Official Rules

STRIP AND GO

THIS IS A NEW CLASS TO THE LEWISTOWN DEMO DERBY!

This class was created to have fun and fun for the fans to watch (TOTAL CARNAGE)

1. Any 1980 and newer 2-wheel drive passenger car/mini-van/mini-truck/mid size SUV.
2. All vehicles must be stripped off all plastic, glass, headlights, taillights and anything else that could fall off onto the track during the show.
3. All vehicles must retain stock, ABSOLUTELY NO WELDING (aside from driver's door see below).
4. Bumpers must remain stock, do not alter bumper in anyway. Factory bumper shocks must remain in factory location. You may remove rear bumpers and shocks. There is no welding to be done on bumpers.
5. Battery:
 - Secured on the passenger side floorboard, in front of the seat area, and covered.
 - Metal strap or chain for securements, no bungee cords.
6. Gas Tanks:
 - No full-size gas tanks can be used and must be removed from the car.
 - A DOT approved marine style tank, fuel cell or jerry can shall be placed behind the driver's seat, rigidly secured by chain or metal strap, no bungee cords or rope. This is mandatory in all classes for your safety.
 - Please make sure you have no fuel leaks for everyone's safety.
7. Trunks, hoods and tailgates all may be wired or chained in maximum 6 places. Sheet metal to sheet metal only, nothing to frame or bumpers. If you remove the trunk or tailgate you lose the wire or chain.
8. Rear seat bar may be added. It may be welded to post. If you have to add something to get it away from the seat, please call. This is only to stop sides from coming in, not to help any other part of the vehicle.
9. DRIVERS DOOR ONLY may have a plate welded to the outside or inside for drivers' safety.
10. DOT tires and stock wheels only. All wheel weights must be removed. Only tubes and air permitted in tires.
